## TOUR STOP NEWS

April 29, 2011

Charleston SC, has been selected as one of 15+ tour stops for the 20-year strong, SCOTT Firefighter Combat Challenge. This athletic competition brings together hundreds of firefighters from around the country to compete in what is known as the "toughest two minutes in sports." The five-event obstacle course tests firefighters' fitness levels and agility, while celebrating the excellence of these heroes.

## TOUR STOP HIGHLIGHTS

The two-day staged event will not only feature elite competitors, but also many fun challenges for local fire departments and sponsors. However, the most popular 'side-show' will be the Kids' Challenge Course, a once in a lifetime for any young one to actually experience first-hand the rigors of being a firefighter - while in full bunker gear! FREE for all youth ages 4-11!

## KIDS' FIREFIGHTER CHALLENGE

### TOUR STOP CHALLENGES

The course is known as the "toughest two minutes in sports," and was created 20 years ago to connect the importance of performance and fitness. The obstacle course tests fitness levels and agility - including elite individuals, tandems and relay teams. Charleston SC has many local firefighters who are national competitors and will be aspiring for new record times. The iconic, five-story tower becomes a 'magnet' for spectators, who are quickly drawn to the event - becoming fans - cheering on the excellence of these heroes.

### TOUR STOP SCHEDULE

\*May 20 - Friday evening (4:00 - 8:00pm) Activities will begin with opening ceremonies and feature the elite individual competitions. Near the entrance, between Planet Fitness and King Street Grille, the parking area will have hundreds of spectators attending the event. The King Street Grille Beer Garden will be featured, alongside a number of sponsor and vendor exhibits.
