WHY PBI XT...

- 01** The optimal mix of ~40% PBI® and ~ 60% Kevlar® spun yarns provides **maximized thermal & flame resistance.**
- 02** 40-42 TPP* offers **superior thermal protection.**
- 03** PBI XT features a **patented high-tech grid** of composite filament and spun yarns that provides **strength and eliminates puckering.**
- 04** Superior abrasion resistance.
- 05** Over a decade of proven performance in active Fire Departments.
